Passionate about creating beautiful and user-friendly designs, constantly learning and keeping up with new technologies. Focused on enhancing user experience through creativity and optimization. Eager to participate in UI/UX projects to develop skills. Always seeking collaboration opportunities to expand creativity and perfect products.

EXPERIENCE

Recruitment website

4/2024 - 8/2024

Designed and developed a modern recruitment website using Atomic Design principles to create a consistent and user-friendly interface. Created login, registration, dashboard, and job seeker pages, optimizing user experience with Toast UI for real-time status notifications.

The interface is intuitive, featuring smart search functionality and job management tools, facilitating easy interaction for both employers and candidates. The layout is clear, modern, and ensures multi-device compatibility for efficient usage.

Portfolio Landing Page

5/2023 - 7/2023

Portfolio Landing Page Design: Combined creativity in design and programming to build a unique, user-friendly portfolio page. Utilized Figma, Photoshop, and Illustrator to ensure perfect compatibility across mobile and desktop, with Dark Mode integration. The design highlights include a modern system of icons, colors, typography, a refined grid layout, and an engaging typewriter effect.

The frontend was developed using React on Visual Studio Code, with multi-language support via i18next and smooth navigation through React Router.

Freelance

3/2022 - Present

Accepted projects from Facebook groups and worked online with clients. Improved skills through self-study and personal projects.

Designed social posts, standees, brochures, banners, name cards, logos, website interfaces, and landing pages.

TNHH TMDV quảng cáo lá đồ

10/2019 - 12/2021

Worked directly with managers to create designs that meet client requirements.

Measured shelves, advertisements, etc., to produce the final product.

Managed order processing, quotations, and documentation.

Created and exported design files while ensuring print quality.

Followed company procedures and completed assigned tasks.
